The containers are arranged in a diagonal line from the bottom left towards the top right. The background is a clear blue sky. A semi-transparent white horizontal band is overlaid across the middle of the image, containing the text "What else ya got?".

## Georgia Criminal Background Check System (GCHEXS)

### GCHEXS SYSTEM OVERVIEW

On February 1, 2016, the Department of Community Health (DCH) will unveil a new computer system - the Georgia Criminal History Check System (GCHEXS).

- This system may be accessed by clicking [www.dch.gchexs.ga.gov](http://www.dch.gchexs.ga.gov).
- The mailbox for asking questions about the GCHEXS system is [VoluntaryBackgroundCheck@dch.ga.gov](mailto:VoluntaryBackgroundCheck@dch.ga.gov).

GCHEXS will allow certain facilities licensed by the Health Care Facility Regulation Division (HFRD) more flexibility in conducting criminal background checks of prospective and current employees. GCHEXS will enable users to:

- Easily check various registries, including the Certified Nurse Aide, Sex Offender and federal OIG Exclusions List;
- Determine the status of an applicant's background check; and
- Print the criminal background check fitness determination letter directly from the GCHEXS system.

GCHEXS will streamline applicant onboarding, background check processing, tracking and the notification process from beginning to end, increasing the efficiency with which providers and state staff can process and securely obtain Background Checks.
